Allowing us to provide unwavering support through your generosity

Tony Fitzgerald
*Chairman,
Foundation
Board of Directors*

David Oster
*CEO,
Laurel Lake*

We all experience change, in one form or another, in our daily lives through our surroundings, our health, and for some, our relationships. How we accept it and incorporate it into our life journey is a choice. As with all opportunities, I hope we are making good choices.

Recently, we have experienced change in our Foundation Team; our Director has transitioned to other opportunities and we have restructured the Foundation Office to be prudent, frugal, productive, and focused to serve you, the residents, by striving for excellence.

We continue to provide grant funding for projects that enhance the lives of residents of Laurel Lake Residential Community. We realize that we are simply being good stewards of your generous donations, which allows us to support new programs and fund renewed successful programs.

We will continue to follow the lead of those forward thinking donors who have pledged their support for the last two decades. It is this positive energy and your continued generosity that will propel the Laurel Lake Community to a higher level of care and wellbeing for all.

Needless to say, I and the Foundation Board of Directors are grateful for your commitment to perpetuate the good works of The Laurel Lake Foundation.

Sincerely,

Tony Fitzgerald
Chairman, The Laurel Lake Foundation Board of Directors

28TH *Annual Dinner*

The Laurel Lake Foundation Annual Recognition Dinner is that, and so much more. Each year at this special event, the Foundation honors dedicated members of the Laurel Benefactors and Living Legacy Society, who generously and consistently support the projects and programs it funds. Also included in the evening's program is the induction of deserving new members. Last year, a total of 33 donors from 2022 were added to the membership of these two distinguished donor programs, bringing the total number of members to more than 450.

A highlight of the elegant evening is the presentation of the Joseph M. Lawler Leadership Award. This award highlights an individual who has shown immense support to the Foundation, and made a large impact on the Foundation's ability to enrich Laurel Lake. The award, named for former resident and Foundation board member, Joe Lawler, was presented last year to Dr. Harry Bartels, philanthropist and retired veterinarian, who has been a resident of Laurel Lake since 2014. Harry has not only offered his financial support of the Campaign for Endowment, but he has also continuously served as an ambassador for the Foundation in helping to carry out its mission and goals.

The names of all Lawler Award recipients, Laurel Benefactors, and Living Legacy society members are included in the Foundation Heritage Display in the Laurel Lake Commons.

Dr. Harry Bartels (center) 2022 recipient of the Joseph M. Lawler Leadership Award with Chairman Tony Fitzgerald (L) and Laurel Lake CEO David Oster (R)

DEDICATED TO DEMENTIA

The Dedicated to Dementia program taps into education offered by the National Council of Certified Dementia Practitioners. Using the “train the trainer” concept, a small group of employees will become Certified Alzheimer’s Disease and Dementia Care Trainers and ultimately Certified Dementia Practitioners.

This training creates a better understanding of what residents with dementia are experiencing. These trained staff members will provide compassionate care that takes into account the whole person, including background, culture, education, likes and dislikes. As the program develops, the group will work toward ensuring the resident’s dignity and peace of mind as they cope with the debilitating effects of dementia.

SENIORS AND YOUTH PARTNERS IN PHILANTHROPY (SAYPIP)

This exciting program proves that one is never too young to learn about the importance of philanthropy. In 2007, the Laurel Lake Foundation brought together 8th graders from Seton Catholic School and residents of Laurel Lake to form a grant-making board, where generations work together to distribute funds to local charities. In the process, both the students and seniors learn about the nonprofit grant-making process and have an opportunity to create leadership and management skills through teamwork. Through this valuable teamwork, the middle school students are introduced to the value and importance of volunteerism and philanthropy, as well as the joy of working together.

EMPLOYEE EMERGENCY PROGRAM

The Foundation continues to support Laurel Lake's family of employees by funding the Employee Emergency Program. Since 2007, employees who are faced with tragic events, such as a devastating fire, a death in the family, a burglary or natural disaster, can receive up to \$1,000 to help with immediate needs. This confidential program not only brings some financial relief to employees, it models the compassionate care that is part of the Foundation's mission and goals and allows Laurel Lake residents to indirectly benefit.

Wellness and Lifestyle

Supports services and activities which enhance the physical, emotional and spiritual lives of our residents

...With deep appreciation

Fundraising is a tough job. Ask anyone who's ever had to rely on the generosity and commitment of others for support.

For 29 years, the Laurel Lake Foundation has not only continued to meet the challenge, it has consistently and successfully provided the financial underpinnings to Laurel Lake's needs at all levels.

Whether for new equipment, life care subsidy or a staff emergency, the Foundation is there, providing monetary support through the generosity of its donors. It has enriched the lives of hundreds of residents with its many campus-wide programs, projects and services, granting funds annually to support current programs and promote new projects & programs on the Laurel Lake campus.

Although some of the programs that were suspended in 2020 due to the onslaught of COVID-19 haven't yet returned, new programs, such as Dedicated to Dementia, have been launched, and new projects, such as the Easy-Stand StrapStand in the Therapy Department have been implemented.

The Laurel Lake Foundation continues to fulfill its mission of encouraging, administering and coordinating the charitable giving that benefits each and every resident of Laurel Lake. And in doing so, with the ongoing and essential help of its dedicated donors, it makes the tough job of fundraising well worth the effort.

The Pavick Family at the dedication for the Gail M. Pavick Aquatic Center.
